ABBREVIATION REFERENCE: AIR = American Indian Reservation; Trust Land = Off-Reservation Trust Land; TJA = Tribal Jurisdiction Statistical Area; TDSA = Tribal Designated Statistical Area; ANYSA = Alaska Native Village Statistical Area; ANRC = Alaska Native Regional Corporation; CCD = Census Civil Division; CDP = Census Designated Place; BNA = Block Numbering Area

The diagram shows a vertical hierarchy of map features. At the top is 'All Roads' with a solid black line. Below it is 'Railroad' with a line featuring cross-ticks. Next is 'Pipe/Power Line' with a line featuring small squares. Below that is 'Physical Feature' with a wavy line. At the bottom is 'Nonvisible Boundary' with a dashed line. To the right of these features are three colored boxes: a blue box labeled 'Stream/Shoreline' with a blue wavy line, a green box labeled 'Intermittent Stream' with a green wavy line, and a red box labeled 'Glacier' with a red wavy line. The 'Stream/Shoreline' and 'Intermittent Stream' boxes are positioned between the 'Railroad' and 'Pipe/Power Line' levels, while the 'Glacier' box is between the 'Pipe/Power Line' and 'Physical Feature' levels.

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

<sup>2</sup> In 1990, the crews-of-vessels population of ships at sea was allocated to census tracts with a '.99' suffix. An anchor symbol appeared on the 1990 maps locating a crews-of-vessel tract. These maps show a very small area symbolized as a census tract with the census tract number shown near the area.

1990 CENSUS TRACT/BNA OUTLINE MAP (RECREATED)

All legal boundaries and names are as of January 1, 1990 as tabulated for the Public Law 94-171 and Summary Tape File 4. The boundaries also reflect the feature update and coordinates as of the Census 2000 geographic base. Since 1990 the Census Bureau updated the base from the North American Datum of 1927 (NAD27) to the datum as of 1983 (NAD83) and made numerous updates to the base features from those depicted in 1990. The boundaries shown on this map are for the Census Bureau's statistical data collection and tabulation purposes only; their depiction and designation for statistical purposes does not constitute a determination of jurisdictional authority or rights or ownership or entitlement.
